FROM RESEARCH TO IMPACT

Towards just and resilient agri-food systems

9–12 October, 2023 | New Delhi, India

Day 1

Monday 9 October

9.00-10.00

Registration

11.00-12.00

Inaugural session

12.15-1.00

Opening plenary

1.00-2.00

Lunch

2.00-2.30

Conference basics and themes

2.30-4.00

6 parallel sessions

4.00-4.30

Tea break

4.30-6.00

6 parallel sessions

6.15-7.00

Cultural performance

7.00-8.30

Cocktail reception

Day 2

Tuesday 10 October

9.00-10.30

Plenary

10.30-11.00

Tea break

11.00-12.30

6 parallel sessions

12.30-1.30

Lunch

1.30-3.00

6 poster sessions

3.00-3.30

Tea break

3.30-5.00

6 parallel sessions

Day 3

Wednesday 11 October

9.00-10.30

Plenary

10.30-11.00

Tea break

11.00-12.30

6 parallel sessions

12.30-1.30

Lunch

1.30-3.00

6 parallel sessions

3.00-3.30

Tea break

3.30-5.00

6 parallel sessions

Day 4

Thursday 12 October

9.00-10.30

6 parallel sessions

10.30-11.00

Tea break

11.00-12.30

6 parallel sessions

12.30-1.30

Lunch

1.30-3.30

Final plenary and closing

FROM RESEARCH TO IMPACT

Towards just and resilient agri-food systems

9–12 October, 2023 | New Delhi, India

Day 1 - Monday 9th of October 2023

| | | | | | | |
|-------------|---|--|--|---|---|---|
| 9.00-10.00 | Registration | | | | | |
| 11.00-12.00 | Inauguration of the conference <i>by the Hon'ble President of India Smt. Droupadi Murmu</i> | | | | | |
| 12.15-1.00 | Welcoming remarks and opening plenary: "What's at stake for gender equality in agri-food systems?" <i>Keynote speaker: Amitabh Kant, G20 Sherpa, Government of India</i> | | | | | |
| 1.00-2.00 | Lunch | | | | | |
| 2.00-2.30 | Conference basics and themes | | | | | |
| 2.30-4.00 | Parallel sessions | | | | | |
| | Auditorium 2 1.1a · From crisis to catalyst: Women redefining resilience in agri-food systems | Agni Hall 1.1b · Gender equality and social inclusion in agri-food systems: An innovative approach to examination (Capacity strengthening) | Main Hall 1.1c · Preparing future-ready youths for agri-food challenges | Auditorium 3 1.1d · Seeding gender equality | Akash Hall 1.1e · Tell me more: How to turn evidence and experiences into persuasive stories and influence policies, practices and behaviors (Capacity strengthening) | Prithvi Hall 1.1f · Can 2 + 2 make 5? From adding up to Intersectionality (Capacity strengthening) |
| 4.00-4.30 | Tea break | | | | | |
| 4.30-6.00 | Parallel sessions | | | | | |
| | Auditorium 3 1.2a · Gendered perceptions and priorities in agri-food systems | Main Hall 1.2b · Empowerment and masculinities in agri-food systems | Prithvi Hall 1.2c · Measuring gender transformative change in the context of food security, nutrition and sustainable agriculture (Capacity strengthening) | Akash Hall 1.2d · Women in action: leadership and collective agency in commons governance (Panel) | Auditorium 2 1.2e · Re-examining gender gaps in productivity | Agni Hall 1.2f · Designing gender-smart agricultural advisory services: Examining evidence from Ethiopia, India and Uganda (Capacity strengthening) |
| 6.15-7.00 | Cultural performance | | | | | |
| 7.00-8.30 | Cocktail reception | | | | | |

FROM RESEARCH TO IMPACT

Towards just and resilient agri-food systems

9–12 October, 2023 | New Delhi, India

Day 2 - Tuesday 10th of October 2023

| | | | | | | |
|--------------------|---|---|---|--|---|---|
| 9.00-10.30 | Plenary: "Grounding the research: Experiences from the field" | | | | | |
| 10.30-11.00 | Tea break | | | | | |
| 11.00-12.30 | Parallel sessions | | | | | |
| | Prithvi Hall 2.1a · Agents of change: Tales of tenacity in tumultuous times | Auditorium 3 2.1b · Household dynamics of decision making, asset ownership, labour, and empowerment | Agni Hall 2.1c · Supporting young people's entrepreneurship and empowerment in and beyond agri-food systems | Auditorium 2 2.1d · Adaptation and innovation under a changing climate | Akash Hall 2.1e · Pitching gender responsive agricultural solutions to science editors (Capacity strengthening) | Main Hall 2.1f · Measuring the impact of agricultural programmes focused on rural women (Panel) |
| 12.30-1.30 | Lunch | | | | | |
| 1.30-3.00 | Poster sessions | | | | | |
| | Auditorium 3 2.2a · Towards systemic change: Challenging inequalities in institutions and policies | Auditorium 2 2.2b · The gendered face of climate change, adaptation and resilience | Akash Hall 2.2c · Advancing and assessing empowerment in agri-food systems | Prithvi Hall 2.2d · Unpacking gender in agri-food value chains, markets, entrepreneurship, employment and income | Main Hall 2.2e · Gender dynamics in agri-food system innovations | Agni Hall 2.2f · Enhancing gender equality in nutrition, food security and health |
| 3.00-3.30 | Tea break | | | | | |
| 3.30-5.00 | Parallel sessions | | | | | |
| | Auditorium 2 2.3a · Understanding the outcomes of agri-food system interventions on women's empowerment | Agni Hall 2.3b · Progress towards gender-intentional breeding | Auditorium 3 2.3c · Into the value chain: Gender roles, biases and aspirations | Prithvi Hall 2.3d · The W+ Standard (Capacity strengthening) | Akash Hall 2.3e · Unmasking the coloniality of science: Towards resilient and inclusive agri-food systems (Panel) | Main Hall 2.3f · Youth responsiveness for climate resilient agri-food system through adaptation-mitigation and digitalization interventions for green livelihoods (Panel) |

FROM RESEARCH TO IMPACT

Towards just and resilient agri-food systems

9–12 October, 2023 | New Delhi, India

Day 3 - Wednesday 11th of October 2023

| | | | | | | |
|--------------------|---|---|--|--|---|---|
| 9.00-10:30 | Plenary: "From research to impact: Towards agri-food systems transformation" | | | | | |
| 10.30-11.00 | Tea break | | | | | |
| 11.00-12.30 | Parallel sessions | | | | | |
| | Main Hall 3.1a · Empowering change: Bridging gender and climate resilience through policy and data | Auditorium 3 3.1b · Measuring and identifying norms: Approaches and considerations | Agni Hall 3.1c · Gendering the digital revolution | Auditorium 2 3.1d · Improving women's status and enhancing nutrition outcomes: Insights from practice | Prithvi Hall 3.1e · Proposed equity principles for transformative innovation, through a critical analysis of agricultural innovation systems frameworks and tools (Open stream) | Akash Hall 3.1f · Conceptual approaches to address gender and social equity in agri-food system's development |
| 12.30-1.30 | Lunch | | | | | |
| 1.30-3.00 | Parallel sessions | | | | | |
| | Prithvi Hall 3.2a · Gender Transformative Approaches: Reflections on resources and innovations | Auditorium 2 3.2b · Understanding young people's involvement with agri-food systems and rural geographies | Auditorium 3 3.2c · Gender in mechanization and post-harvest processing | Akash Hall 3.2d · Supporting women's entrepreneurship, employment, and economic empowerment in agri-food systems | Agni Hall 3.2e · Using the project-level Women's Empowerment in Agriculture Index for Market Inclusion (pro-WEAI+MI) (Capacity strengthening) | Main Hall 3.2f · Gender Integration Across the USAID Feed the Future Innovation Labs (Panel) |
| 3.00-3.30 | Tea break | | | | | |
| 3.30-5.00 | Parallel sessions | | | | | |
| | Auditorium 2 3.3a · From hotspots to hope: Unearthing gender narratives in climate-touched terrains | Prithvi Hall 3.3b · Building women's agency: Leadership, knowledge sharing and learning | Auditorium 3 3.3c · Assessing the links between gender norms, women's empowerment and other development outcomes | Akash Hall 3.3d · Insights into pathways between women's status, gender dynamics and nutrition | Agni Hall 3.3e · Towards Gender Transformative Food Systems: Do we need to focus on Indigenous communities more? (Panel) | Main Hall 3.3f · A feminist political economy-ecology of natural resource management |

FROM RESEARCH TO IMPACT

Towards just and resilient agri-food systems

9–12 October, 2023 | New Delhi, India

Day 4 - Thursday 12th of October 2023

| | | | | | | |
|--------------------|--|--|---|---|--|---|
| 9.00-10:30 | Parallel sessions | | | | | |
| | Auditorium 2 4.1a · Adapting to change: Resilience and adaptation in agri-food systems | Agni Hall 4.1b · Women's time use and gender gaps in agricultural work and rural development | Akash Hall 4.1c · Measuring women's empowerment and gender equality in national statistical systems and national agri-food policy processes | Main Hall 4.1d · Making Climate Smart Agriculture work for women: Taking stock of evidence and implications for policy and practice (Panel) | Prithvi Hall 4.1e · Innovation with/for women | Auditorium 3 4.1f · Gender dynamics in collective action, deliberations and group behavior |
| 10.30-11.00 | <i>Tea break</i> | | | | | |
| 11.00-12.30 | Parallel sessions | | | | | |
| | Auditorium 2 4.2a · Strengthening women's empowerment for better agricultural outcomes: qualitative and quantitative evidence from India and Guatemala | Auditorium 3 4.2b · Exploring intersectionality in gender inequality and gender transformative processes | Main Hall 4.2c · Mind the policy-implementation gap: Gender in agri-food system policies | Agni Hall 4.2d · Innovations for equity: How to untap the gender-transformative potential of innovations in the agri-food sector (Panel) | Prithvi Hall 4.2e · Strengthening Capacities of Extension Advisory Service (EAS) Providers in Making Food Systems Gender- and Nutrition-sensitive: MANAGE Experiences (Capacity strengthening) | Akash Hall 4.2f · Gender gaps in food security and markets: exploring the role of cultural and social norms |
| 12.30-1.30 | <i>Lunch</i> | | | | | |
| 1.30-3.30 | Final plenary: "Looking forward: Reflections and learnings for inspiring change" and closing | | | | | |

FROM RESEARCH TO IMPACT

Towards just and resilient agri-food systems

9–12 October, 2023 New Delhi, India

12.15-1.00

PLENARY 1

“What's at stake for gender equality in agri-food systems?”

KEYNOTE SPEAKER: Amitabh Kant, G20 Sherpa, Government of India

CHAIRS: Himanshu Pathak, Secretary DARE and DG ICAR and Noline de Haan, Director CGIAR GENDER Impact Platform

2.00-2.30

CONFERENCE BASICS AND THEMES

CHAIR: Marlène Elias, Alliance of Bioversity International and International Center for Tropical Agriculture

Theme 1: Sahar Alnouri, Mercy Corps and Eileen Nchanji, Alliance of Bioversity International and International Center for Tropical Agriculture

Theme 2: Esther Achandi, International Livestock Research Institute and Amon Mwiine, Makerere University

Theme 3: Vivian Polar, International Potato Center (CIP) and Vidya Vemireddy, Indian Institute of Management – Ahmedabad (IIM-A)

Theme 4: Rahma Adam, WorldFish and Sabdiyo Dido, Alliance for a Green Revolution in Africa (AGRA)

Theme 5: Sapna Desai, Population Council and Neha Kumar, International Food Policy Research Institute (IFPRI)

Theme 6: Indika Arulingam, International Water Management Institute (IWMI) and Dorte Thorsen, Institute for Development Studies (IDS)

2.30-4.00

1.1A · FROM CRISIS TO CATALYST: WOMEN REDEFINING RESILIENCE IN AGRICULTURE AND FOOD SYSTEMS

CHAIR: Sahar Alnouri, Mercy Corps

DISCUSSANT: Dessalegn Ketema, Alliance of Bioversity International and the International Center for Tropical Agriculture (CIAT)

Gendered impacts of the COVID-19 pandemic to the food systems in the Philippines

Glory Dee Romo, University of the Philippines Mindanao

Gender and social inclusion impacts of climate change, COVID shocks, and stresses on agriculture and food systems in Tanzania: The case of Maasai women in Chalinze district

Elizabeth Lulu Genda, Mzumbe University

Gendered challenges and coping strategies of women smallholder farmers during the COVID-19 pandemic in Nepal's Tarai region: A feminist political ecology perspective

Dipika Das, Global Institute for Interdisciplinary Studies (GIIS)

Does COVID-19 impact female and male farmers differentially? An insight from a study in Eastern Gangetic Plains of India

Soumyadeep Das, Uttar Banga Krishi Viswavidyalaya

1.1B · GENDER EQUALITY AND SOCIAL INCLUSION IN AGRICULTURE AND FOOD SYSTEMS: AN INNOVATIVE APPROACH TO EXAMINATION (CAPACITY STRENGTHENING)

ORGANIZER: Serena Stepanovic, World Vision

SPEAKER/CHAIR: Jedidah Ganira, World Vision Kenya

Day 1 - Monday 9th of October 2023

1.1C · PREPARING FUTURE-READY YOUTHS FOR AGRICULTURE AND FOOD CHALLENGES

ORGANIZER: Seema Jaggi, Indian Council of Agricultural Research (ICAR)

CHAIR: R.C. Agrawal, Indian Council of Agricultural Research (ICAR)

PANELISTS: P.S. Pandey, RPCAU Samastipur, Bihar
Neerja Prabhakar, SKLTSU, Hyderabad
Ch. Srinivasa Rao, Director, ICAR-NAARM, Hyderabad
Dorte Thorsen, Institute of Development Studies, University of Sussex
Laura Estelle Yeyinou Loko, Ecole Nationale Supérieure des Biosciences et Biotechnologies Appliquées (ENSBBA)
V. Geethalaxmi, Tamil Nadu Agricultural University, Coimbatore, India

1.1D · SEEDING GENDER EQUALITY

CHAIR: Alka Arora, Indian Council of Agricultural Research (ICAR)

DISCUSSANT: Jummai Yila, International Rice Research Institute (IRRI)

Exploring behavioral factors in varietal uptake through a gender lens: Evidence from a multi-country, multi-crop qualitative study

Martina Cavicchioli, International Institute of Tropical Agriculture (IITA)

Designing gender transformative interventions in the commercialized cassava seed system in Tanzania
Millicent L. Liani, International Institute of Tropical Agriculture (IITA)

Impact of gender on trait prioritization and food product profile (fufu) development in Nigeria: Guide to breeders

Tessy Madu, National Root Crops Research Institute Umudike

FROM RESEARCH TO IMPACT

Towards just and resilient agri-food systems

9–12 October, 2023 | New Delhi, India

Diverse pathways towards inclusive seed markets in Sub-Saharan Africa

Eileen Bogweh Nchanji, Alliance of Bioversity International and the International Center for Tropical Agriculture (CIAT)

1.1E · TELL ME MORE: HOW TO TURN EVIDENCE AND EXPERIENCES INTO PERSUASIVE STORIES AND INFLUENCE POLICIES, PRACTICES AND BEHAVIORS (CAPACITY STRENGTHENING)

ORGANIZER/CHAIR: Marianne Gadeberg, CGIAR GENDER Impact Platform

*PANELISTS: Nirmala Nair, Kaboom Social Impact
Olamide Deborah Nwanze, International Institute of Tropical Agriculture (IITA)
Namita Singh, Digital Green
Shalini Singh, People's Archive of Rural India (PARI)*

1.1F · CAN 2 + 2 MAKE 5? FROM ADDING UP TO INTERSECTIONALITY (CAPACITY STRENGTHENING)

ORGANIZER: Arwen Bailey, Alliance of Bioversity International and the International Center for Tropical Agriculture (CIAT)

*CO-ORGANIZERS: Cathy Rozel Farnworth, Independent Consultant
Diana E. Lopez, KIT - Royal Tropical Institute*

4.30-6.00

1.2A · GENDERED PERCEPTIONS AND PRIORITIES IN AGRI-FOOD SYSTEMS

*CHAIR: Anne Rietveld, Alliance of Bioversity International and International Center for Tropical Agriculture
DISCUSSANT: Lora Forsythe, University of Greenwich*

Gender-responsive nature-positive solutions for resilient agri-food systems

Dickson Kinuthia, International Food Policy Research Institute (IFPRI)

Gender perspectives of rice farmers' livelihood strategies in time of climate change: The case of Ndop plains, Cameroon

Ntam Fidelis, Institute of Agricultural Research for Development (IRAD) Bambui

Scaled citizen science participatory variety selection provides socially inclusive feedback to the cassava breeding in Nigeria and opens the way to emancipate women and men crop users within the breeding process

Béla Teeken, International Institute of Tropical Agriculture (IITA)

Unveiling gendered perspectives on farmers' climate risk perception, and adaptation strategies: A systematic review

Soniya Ningombam, International Crops Research Institute for the Semi-Arid Tropics (ICRISAT)

1.2B · EMPOWERMENT AND MASCULINITIES IN AGRI-FOOD SYSTEMS

CHAIR: Margreet van der Burg, Wageningen University

DISCUSSANT: Losira Nasirumbi Sanya, Makerere University

A critical focus on men and masculinities in a feminist pedagogy: Lessons from the GREAT training course

Amon Ashaba Mwiine, Makerere University

Empowerment among women and men in monogamous and polygynous households in Northern Ghana

Janelle Larson, Penn State University

Day 1 - Monday 9th of October 2023

Women in aquaculture: Unleashing gender transformative change through household level gender exercise

S M Faridul Haque, International Fertilizer Development Center (IFDC)

Farm-managers or unpaid laborers? Women farmers in male-headed households of Central India

Vijesh Krishna, International Maize and Wheat Improvement Center (CIMMYT)

1.2C · MEASURING GENDER TRANSFORMATIVE CHANGE IN THE CONTEXT OF FOOD SECURITY, NUTRITION AND SUSTAINABLE AGRICULTURE (CAPACITY STRENGTHENING)

ORGANIZER: Steven Cole, International Institute of Tropical Agriculture (IITA)

SPEAKERS: Steven Cole, International Institute of Tropical Agriculture (IITA)

Mariola Acosta, Food and Agriculture Organization of the United Nations (FAO)

CONTRIBUTORS: Cathy Rozel Farnworth, Independent Consultant

Hajnalka Petrics, Food and Agriculture Organization of the United Nations (FAO)

Ana Maria Paez-Valencia, Alliance of Bioversity International and the International Center for Tropical Agriculture (CIAT)

Marlène Elias, Alliance of Bioversity International and the International Center for Tropical Agriculture (CIAT)

Afrina Choudhury, WorldFish

FROM RESEARCH TO IMPACT

Towards just and resilient agri-food systems

9–12 October, 2023 | New Delhi, India

Day 1 - Monday 9th of October 2023

1.2D · WOMEN IN ACTION: LEADERSHIP AND COLLECTIVE AGENCY IN COMMONS GOVERNANCE (PANEL)

ORGANIZER: Khanjan Ravani, Foundation for Ecological Security (FES)

CHAIR: Miranda Morgan, Alliance of Bioversity International and the International Center for Tropical Agriculture (CIAT)

SPEAKERS: Devki Bai Uikey, Gram Mitra, Manikpur Ryt village, Madhya Pradesh Mamata DV, Community Resource Person, Talakayalabetta village, Karnataka Khanjan Ravani, Foundation for Ecological Security Madappa PS, Foundation for Ecological Security

1.2E · RE-EXAMINING GENDER GAPS IN PRODUCTIVITY

CHAIR: Vivian Polar, International Potato Center (CIP)

DISCUSSANT: Carlo Azzari, International Food Policy Research Institute (IFPRI)

Does the landowner's gender affect self-cultivation and farm productivity? An analysis for India

Bina Agarwal, University of Manchester

Gendered division of family and hired labor and agricultural productivity in India

Kajal Gulati, Purdue University

Investigating women's agency and achievements in agriculture: Insights from APART, Assam

Lisa Mariam Varkey, International Rice Research Institute (IRRI)

Women's empowerment, productivity, and food security:

Nationally representative panel data analysis in Malawi

Ning Ma, International Food Policy Research Institute (IFPRI)

1.2F · DESIGNING GENDER-SMART AGRICULTURAL ADVISORY SERVICES: EXAMINING EVIDENCE FROM ETHIOPIA, INDIA AND UGANDA (CAPACITY STRENGTHENING)

ORGANIZER: Jona Repishti, Digital Green

PRESENTERS: Prita Das Gupta, Digital Green

Jona Repishti, Digital Green

Namita Singh, Digital Green

FROM RESEARCH TO IMPACT

Towards just and resilient agri-food systems

9–12 October, 2023 New Delhi, India

9.00-10.30

PLENARY 2

“Grounding the research: Experiences from the field”

KEYNOTE SPEAKERS:

Soma K. Parthasarathy, Policy Analyst, MAKAAAM (Forum For Women Farmers' Rights), Forest Rights Collective and Eleanor Dean, General Manager, Outreach and Capacity Building Australian Centre for International Agricultural Research

CHAIR: V. Geethalaxmi, Vice Chancellor, Tamil Nadu Agricultural University, Coimbatore, India

PANELISTS: Anusha Jookuri, CEO/Entrepreneur, Bee Fresh Products

Jyotsna Kaur Habibullah, CEO and Womenovetor, Lucknow Farmers Market

Akriti Sharma, CEO, Pusa Krishi and Senior Scale Scientist, ICAR

Dhruv Tomar, Techpreneur, M-Lense Research Private Limited

11.00-12.30

2.1A · AGENTS OF CHANGE: TALES OF TENACITY
IN TUMULTUOUS TIMES

CHAIR: Sarah Mayanja, International Potato Center (CIP)
DISCUSSANT: Elizabeth Bryan, International Food Policy Research Institute (IFPRI)

Armed conflict and gendered participation in agri-food systems: Survey evidence from 1.8 million individuals in 29 countries

Wolfgang Stojetz, International Security and Development Center (ISDC)

Profiling women's reality of risk and vulnerabilities in the Nigerian cassava agri-food system

Temitayo A. Adeyemo, University of Ibadan

Gender-based violence in food systems

Lilian Treasure and Lora Forsythe,, University of Greenwich

Inclusive innovation in bean value chain interventions:

A comparative study of gender dynamics in Tanzania, Malawi, and Burundi

Cosmas Kweyu Lutomia, Alliance of Bioversity International and the International Center for Tropical Agriculture (CIAT)

2.1B · HOUSEHOLD DYNAMICS OF DECISION
MAKING, ASSET OWNERSHIP, LABOUR, AND
EMPOWERMENT

CHAIR: Charity Osei-Amponsah, International Water Management Institute (IWMI)

DISCUSSANT: Nwanze-Olaosebikan Olamide, International Institute of Tropical Agriculture (IITA)

In-depth understanding of intra-household decision-making in the cassava value chain in Tanzania

Devis F. Mwakanyamale, International Institute of Tropical Agriculture (IITA)

Whose voice really matters? Exploring the intra-household decision-making process in farm households of rural Bihar, India

Rosalin Geetha, University of Agricultural Sciences, Bengaluru

Day 2 - Tuesday 10th of October 2023

Capturing dynamism in women's roles in an agrarian economy: A study in the Eastern Gangetic Plains of India

Prateek Madhab Bhattacharya, Uttar Banga Krishi Viswavidyalaya

Asset ownership among women in the semi-arid tropics of India: Micro-level insights towards empowerment of women

Padmaja Ravula, International Crops Research Institute for the Semi-Arid Tropics (ICRISAT)

2.1C · SUPPORTING YOUNG PEOPLE'S
ENTREPRENEURSHIP AND EMPOWERMENT
IN AND BEYOND AGRI-FOOD SYSTEMS

CHAIR: Barbara Pamphilon, University of Canberra

DISCUSSANT: Dorte Thorsen, Institute of Development Studies (IDS)

Growing futures: Youth empowerment through home gardening initiatives in Fiji

Aradhana Devi Deesh, Ministry of Agriculture Fiji

Four key enablers of youth empowerment to achieve more sustainable agri-food systems

Dinesh Panday, Young Professionals for Agricultural Development (YPARD)

Youth-adult engagement in agri-food systems: A mixed-methods inquiry on positive youth development in 4-H clubs of Bicol, Philippines

Sonny Pasiona, Southeast Asian Regional Center for Graduate Study and Research in Agriculture

Non-farm enterprises: Strengthening youth resilience in 18 rural districts of Zimbabwe

Doreen Tirivanhu, University of Zimbabwe

FROM RESEARCH TO IMPACT

Towards just and resilient agri-food systems

9–12 October, 2023 | New Delhi, India

2.1D · ADAPTATION AND INNOVATION UNDER A CHANGING CLIMATE

CHAIR: Srinivasa Rao, ICAR-NAARM

DISCUSSANT: Eileen Nchanji, Alliance of Bioversity International and the International Center for Tropical Agriculture (CIAT)

Understanding women farmers' empowerment in climate-stressed smallholder systems: Evidence from a climate-smart cropping system intensification initiative in Indian Sundarbans
Poulami Sen, Ramakrishna Mission Vivekananda Educational and Research Institute (RKMVERI)

Gender differences in perceptions of climate change and eventual impacts: An intra-household analysis from groundwater depleted zones of Bangladesh
Hasneen Jahan, Bangladesh Agricultural University

Using technology to scale climate-smart agriculture, conservation agriculture, sustainable intensification, and nutrition interventions: Why use a GESI approach?
*Karen Nortje, International Water Management Institute (IWMI)
Kristin Davis*

Gender dimensions of climate change adaptation strategies among Indigenous communities in the Nilgiri Biosphere Reserve, India
Aiswarya S., Indian Council of Agricultural Research, Central Institute for Research on Buffaloes, Hisar (ICAR-CIRB)

2.1E · PITCHING GENDER RESPONSIVE AGRICULTURAL SOLUTIONS TO SCIENCE EDITORS (CAPACITY STRENGTHENING)

ORGANIZER: Jennifer Metcalfe, Econnect Communication / CGIAR communication consultant

2.1F · MEASURING THE IMPACT OF AGRICULTURAL PROGRAMMES FOCUSED ON RURAL WOMEN (PANEL)

*ORGANIZER: Tinni Sawhney, Aga Khan Foundation
PANELISTS: Krishna Devi, Pashu Sakhi, Village Sarmastpur, District Muzaffarpur, Bihar
Jasleen Kaur, 60Decibels
Rehana Khatun, Pashu Sakhi, Village Narsinghpur, District Muzaffarpur, Bihar
Tinni Sawhney, Aga Khan Foundation
Vicki Wilde, Bill & Melinda Gates Foundation*

1.30-3.00

2.2A · TOWARDS SYSTEMIC CHANGE: CHALLENGING INEQUALITIES IN INSTITUTIONS AND POLICIES (POSTER SESSION)

CHAIR: Silvia Sarapura, University of Guelph

Transforming lives via agroforestry: Breaking barriers through gender mainstreaming equality
Babita Bohra, CIFOR-ICRAF

Capacity Building for gender equality and social inclusion in Integrated Water Resources Management through Gender Transformative Approaches
Kanwal Waqar, International Water Management Institute (IWMI)

Assessing the existing policies and schemes in India's Food, Land & Water (FLW) sector from a gender perspective
Garima Taneja, International Water Management Institute (IWMI)

Day 2 - Tuesday 10th of October 2023

The institutional dynamics of water justice in southern coastal Bangladesh

Mou Rani Sarker, International Rice Research Institute (IRRI)

Gendered experiences in small-scale aquaculture in Myanmar: Implications for programs in the community
Surendran Rajaratnam, The National University of Malaysia (UKM)

A framework for gender research integration in livestock feeds and forages research design

Esther Njuguna-Mungai, International Livestock Research Institute (ILRI)

Historical and gendered sweetpotato 'pires' (pathways) in Mozambique

Lora Forsythe, University of Greenwich

Gendered dimensions of improved agricultural practices in farm households in a coastal polder of southwest Bangladesh

Sadika Haque, Bangladesh Agricultural University

Addressing gender-based constraints of smallholder women farmers in mid-hills of Nepal

Salu Basnet and Gyanu Maskey, Southasia Institute of Advanced Studies (SIAS)

Gender attitudes on politics and leadership: A framing experiment

Ning Ma, International Food Policy Research Institute (IFPRI)

Convergence and Self-Help Groups: Conduits for advancing gender equality and social inclusion in agri-food systems

Sugandha Munshi, International Rice Research Institute (IRRI)

FROM RESEARCH TO IMPACT

Towards just and resilient agri-food systems

9–12 October, 2023

New Delhi, India

Day 2 - Tuesday 10th of October 2023

Necessity as a driver in bending agricultural gender norms in the Eastern Gangetic Plains of South Asia

Pragya Timsina, International Maize and Wheat Improvement Center (CIMMYT)

What agricultural transition means for women in man-headed households in South Asia: An in-depth exploration of intrahousehold evaluation processes

Emma Karki, International Maize and Wheat Improvement Center (CIMMYT)

Enabling environment for Sustainable Intensification of Mixed Farming System for gender transformative change in mid-hills of Nepal: What to consider?

Sanju Koirala, International Water Management Institute (IWMI)

Women's empowerment to gender transformative change in agri-food systems in Fiji

Radhisha Shivnal Nath, Fiji National University

2.2B · THE GENDERED FACE OF CLIMATE CHANGE, ADAPTATION AND RESILIENCE (POSTER SESSION)

CHAIR: Aslihan Kes, USAID

Building resilience through human centered interventions: A case study of female smallholder farmers in Matuu, Kenya

Ashley Mutiso, Itanya Africa Group

Understanding gendered coping mechanisms of actors within cassava production in the face of prevailing climate change challenges in Tanzania

Sarah Msita, International Institute of Tropical Agriculture (IITA)

Understanding drivers and barriers for adoption of climate-smart agriculture through a gender lens: Evidence from India

Prapti Barooah, International Food Policy Research Institute (IFPRI)

The development of Sustainable Food Systems based on climate smart agriculture and circular principles

Melinda R.S. Moata and Jaqualine A. Bunga, State Agricultural Polytechnic of Kupang

Gender, Social Inequalities and Application of Climate Smart Agriculture Practices among Smallholder Farmers in Ghana

Rich Kofi Kofituo, International Institute of Tropical Agriculture (IITA)

Insights from positive deviance approach to support socially inclusive climate adaptation in Kenya dairy systems

Tanaya DuttaGupta, International Livestock Research Institute (ILRI)

Climate Change Adaptation Strategies, Food Security and Gender Relations: A Case of Pastoralists in Kilosa District, Tanzania

Venosa Mushi, Mzumbe University

Inclusive water systems for just and resilient agri-food systems in Bangladesh: A transdisciplinary approach to inclusive water governance

Indu K Sharma, International Water Management Institute (IWMI)

Climate resilient strategies for rice production in Jharkhand towards fulfilling food security

Ekhlaque Ahmad, Indian Council of Agricultural Research (ICAR), Birsa Agricultural University

Women's empowerment meets gendered transformations and climate change: Lessons for resilient agri-food systems from northwest Ghana

Charity Osei-Amponsah, International Water Management Institute (IWMI)

Compendium of good practices and promising approaches for gender responsive climate-smart agriculture

Katie Tavenner, Independent Researcher

2.2C · ADVANCING AND ASSESSING EMPOWERMENT IN AGRI-FOOD SYSTEMS (POSTER SESSION)

CHAIR: Amon Ashaba Mwiine, Makerere University

Assessing the impact of women's self-help group (WSHG) interventions on women's empowerment: A case study of WSHGs engaged in pisciculture in Odisha

Aradhana Srivastava, UN World Food Programme (WFP)

Economic well-being induced empowerment through women's savings group: Evidence in the coastal fishing communities of Bangladesh

Md. Wakilur Rahman, Bangladesh Agricultural University

Heifer's intervention for empowering women to transform communities

Regeena Regmi and Neena Joshi, Heifer International

FROM RESEARCH TO IMPACT

Towards just and resilient agri-food systems

9–12 October, 2023 | New Delhi, India

Economic empowerment of tribal women farmers through gender-inclusive mechanized seeding based technology in Odisha, India

Bidhan Kumar Mohapatra, International Rice Research Institute (IRRI)

Empowering smallholder farmers by sustainable fodder development for improved animal management in Odisha

Swetasmita Das, Heifer International

Role of technology as an enabler for gender empowerment: Evidence from the Khyber Pakhtunkhwa province of Pakistan

Khadija Begum, International Water Management Institute (IWMI)

Beyond poverty alleviation: NRLM's contribution to gender transformation and women's economic empowerment in Jammu and Kashmir

Neer Somakka AN, Indian Council of Agricultural Research (ICAR)

Gender differences in pathways and politics of emic empowerment: Cases from Kenya and Cambodia

Haley Zaremba, Alliance of Bioversity International and the International Center for Tropical Agriculture (CIAT)

Developing women's empowerment in energy index: Conceptual framework and empirical evidence

Muzna Alvi, International Food Policy Research Institute (IFPRI)

Towards gender equality in agri-food systems: Designing an women's empowerment index in integrated farming systems

Suci Wulandari, National Research and Innovation Agency (BRIN), Republic of Indonesia

A counting-based approach to measuring women's empowerment in national surveys: Development of the Women's Empowerment Metric for National Statistical Systems (WEMNS)

Ruth Meinzen-Dick, International Food Policy Research Institute (IFPRI)

Measuring gender equality and women's empowerment in Latin American agricultural development

Mónica Juliana Chavarro, Alliance of Bioversity International and the International Center for Tropical Agriculture (CIAT)

'From plot to people': A photovoice exploration of South Asian farmer livelihood diversification strategies when extra time and money are found through zero tillage adoption

Anjana Chaudhary, International Maize and Wheat Improvement Center (CIMMYT)

Nexus among agricultural extension services, women's empowerment in agriculture, and farm income in Bangladesh

Ismat Ara Begum, Bangladesh Agricultural University

Working hard toward empowerment? Studying the association between non-leisure time and decision-making power of male and female farmers of Central India

Vijayalaxmi D. Khed, International Maize and Wheat Improvement Center (CIMMYT)

2.2D · UNPACKING GENDER IN AGRICULTURE VALUE CHAINS, MARKETS, ENTREPRENEURSHIP, EMPLOYMENT AND INCOME (POSTER SESSION)

CHAIR: Anil Kumar, ICAR-Central Institute for Women in Agriculture (ICAR-CIWA)

Women power! Gender-related inequality in agricultural income generation: empirical evidence from eight African countries

Carlo Azzarri, International Food Policy Research Institute (IFPRI)

Women's employment in agri-food systems

Vanya Slavchevska, Food and Agriculture Organization of the United Nations (FAO)

State, civil society, and women's labour use in the millet ecosystem: Gender transformative or exploitative? A tale of two Indian states

Rajshree Bedamatta, Indian Institute of Technology Guwahati

Contributions of women in the agriculture sector of Bangladesh

Shahrina Akhtar, Krishi Gobeshona Foundation

Empowering women and youth in rice value chains by implementing Innovation platforms: A case study in Senegal

Maimouna Ndour, Africa Rice Center (AfricaRice)

Women and youth inclusive value chain development: A case of Ziwaj-Shalla Sub-basin of Ethiopia and Wegnia and Sourou of Mali

Likimyelesh Nigussie, International Water Management Institute (IWMI)

Exploring socially responsible consumption intentions for gender-responsive cacao value chains in the Philippines

Aileen V. Lapitan, University of the Philippines Los Banos

Day 2 - Tuesday 10th of October 2023

FROM RESEARCH TO IMPACT

Towards just and resilient agri-food systems

9–12 October, 2023 New Delhi, India

Day 2 - Tuesday 10th of October 2023

Comparative analysis of women-led and agrarian reform beneficiaries cooperatives in Davao City cocoa value chain using a gender lens in the face of vulnerability
Mitchiko Ariola Lopez, University of the Philippines Mindanao

Reimagining agri-value chains as sites of social and societal reproduction
Chandana Bindu, International Rice Research Institute (IRRI)

Assessing gender gaps among women street vendors and hawkers: A study of women as stakeholders of agri-food system of India
Sai Sailaja Bharatam, NMIMS, School of Law, Hyderabad

Resilience of rural women vendors in Bihar, India
Prakashan Chellattan Veetil, International Rice Research Institute (IRRI)

Gender Smart investment to improve access to finance and resilience for women-led agribusinesses
Marie Ena Derenoncourt and Stephanie Jaquet, Alliance of Bioversity International and the International Center for Tropical Agriculture (CIAT)

Gendered decision-making and the drivers of seed choice in Andhra Pradesh and Telangana
Goundla Mamatha, Center for Sustainable Agriculture

Exploration of gender dynamics in the production and marketing of forage technologies in Kenya
Nelly Njiru, International Livestock Research Institute (ILRI)

Exploring the gender dynamics in artisanal production of pearl millet and sorghum in Mali
Almamy Sylla, International Crops Research Institute for the Semi-Arid Tropics (ICRISAT)

Fostering gender dimensions in henna (*Lawsonia inermis L.*) production under arid and semiarid conditions
Dheeraj Singh, Indian Council of Agricultural Research (ICAR) - Central Arid Zone Research Institute

2.2E · GENDER DYNAMICS IN AGRI-FOOD SYSTEM INNOVATIONS (POSTER SESSION)

CHAIR: Oscar Ortiz Oblitas, OneCGIAR

Advancing gender-inclusive agriculture: Leveraging GIS integration with smart irrigation technologies
Hafsa Aeman, International Water Management Institute (IWMI)

Loose flower plucker: A women friendly innovative gadget for harvesting loose flowers
Rahul Yadav, Indian Council of Agricultural Research, Directorate of Floricultural Research (ICAR-DFR)

Social, household, agronomic, and ecological characteristics of gendered wheat trait preferences in India
Hom N Gartaula, International Rice Research Institute (IRRI)

Strength in diversity: Designing on-farm trials to guide gender-intentional maize breeding
Michael Euler, International Maize and Wheat Improvement Center (CIMMYT)

Priority quality traits for gendered sweet potato breeding in Mozambique
Sarah Mayanja, International Potato Center (CIP)

Evaluation of new hybrid and farmer genotypes on processor productivity, workload and related drudgery: Focus on women cassava processors
Abolore Bello, International Institute of Tropical Agriculture (IITA)

Assessment and remedies for reducing the drudgeries of women farmers in post-harvest operations of millets
Rajendra R Chapke, Indian Council of Agricultural Research (ICAR), Indian Institute of Millets Research

Excluding the marginalized? Exploring the livelihood and inequality implications of herbicide diffusion in eastern India
Maxwell Mkondiwa, International Maize and Wheat Improvement Center (CIMMYT)

From waste to managed waste facility and compost for farming: The role of women movement in urban village in Bali, Indonesia
Marcellinus Mandira Budi Utomo, National Research and Innovation Agency (BRIN)

Behavioural games for triggering adoption of good agricultural practices-insights from women's empowerment project in Telangana, India
Amtul Waris, Indian Council of Agricultural Research (ICAR), Indian Institute of Rice Research

Impact of gender targeting in ICT hubs: Cluster-randomized controlled trial in Malawi
Catherine Ragasa, International Food Policy Research Institute (IFPRI)

FROM RESEARCH TO IMPACT

Towards just and resilient agri-food systems

9–12 October, 2023 | New Delhi, India

Transitioning from ICT-enabled advisory to digitalized agri-food value chain for empowering women farmers: Experience from a donor-supported initiative in Indian Sundarbans

Kousik Mallick, IRDM F/C, Ramakrishna Mission Vivekananda Educational and Research Institute (RKMVERI)

Gender responsive agroadvisory and dissemination mechanism

Mohammed Ebrahim, Alliance of Bioversity International and the International Center for Tropical Agriculture (CIAT)

From seeds of change to harvesting equality: Women in india's agroecology based agri-food system

Sonali Singh, International Food Policy Research Institute (IFPRI)

Gender differences in agricultural productivity in India: Empirical analysis using micro level panel data

Anupama GV, International Crops Research Institute for the Semi-Arid Tropics (ICRISAT)

Some like it hot: Household disagreement and productivity in smallholder chilli production in Indonesia

Apri Laila Sayekti, National Research and Innovation Agency (BRIN)

2.2F · ENHANCING GENDER EQUALITY IN NUTRITION, FOOD SECURITY AND HEALTH (POSTER SESSION)

CHAIR: Sapna Desai, Population Council Institute/SEWA Health

Do we need to worry about the nutrition security of indigenous communities?: Empirical Evidence from Northeast India

Chubamenla Jamir, Climate Studies and Knowledge Solutions Centre, Government of Nagaland

Influence of women's empowerment on maternal and child dietary diversity in urban Bangladesh

Md. Nazmul Hoque, Bangladesh Agricultural University

CIFOR-ICRAF: Gender equity and social inclusion across the agri-food landscape

Elisabeth Garner, CIFOR-ICRAF

Soil inequalities and its relation to gender and health in Guatemala

Karla Molina Galindo, The University of Edinburgh

Kitchen gardening: Empowering smallholder women farmers for nutrition, food security, and health in bihar's sustainable livelihood development project

Karunesh Shukla, Heifer India

Intrahousehold dietary diversity and determinants of fish consumption in Bangladesh

Lucy Njogu, WorldFish

An inclusive agri-food systems transformation approach for India

Vartika Singh, International Food Policy Research Institute (IFPRI) / Indian Institute of Management Ahmedabad

Engaging men as allies for a journey of gender transformation and improved nutrition

Avani Verma, Deutsche Gesellschaft für Internationale Zusammenarbeit GmbH (GIZ)

Adopting a gender transformative approach (GTA) to increase dietary diversity and decision-making of women: Evidence from a nutrition sensitive intervention in Bangladesh

Kamrun Nahar, WorldFish

Stunting and undernutrition among adolescent girls of indigenous communities in Telangana, India: A cross sectional study

Padmaja Ravula, International Crops Research Institute for the Semi-Arid Tropics (ICRISAT)

Drivers of food insecurity amongst the Batwa in Uganda

Triphine Ainembabazi, Makerere University

Evaluation of a gender-responsive nutrition education intervention on nutrition knowledge, attitudes and practices among the vulnerable populations in the traditional agri-food systems

Kavitha Kasala, International Crops Research Institute for the Semi-Arid Tropics (ICRISAT)

Bringing nutritional security and women's empowerment through Nutri-Smart Villages

SRK Singh, Indian Council of Agricultural Research, Agricultural Technology Application Research Institute (ICAR-ATARI)

3.30-5.00

2.3A · UNDERSTANDING THE OUTCOMES OF AGRI-FOOD SYSTEM INTERVENTIONS ON WOMEN'S EMPOWERMENT

CHAIR: Rufaro Madakadze, Alliance for a Green Revolution in Africa (AGRA)

DISCUSSANT: Hom Gartaula, International Rice Research Institute (IRRI)

Day 2 - Tuesday 10th of October 2023

FROM RESEARCH TO IMPACT

Towards just and resilient agri-food systems

9–12 October, 2023

New Delhi, India

When interventions reach women, but women do not automatically benefit: The case of landscape restoration through tree planting in Burundi

Francois Iradukunda, Alliance of Bioversity International and the International Center for Tropical Agriculture (CIAT)

Women's empowerment in water governance in Polder Zone in Bangladesh

Mou Rani Sarker, International Rice Research Institute (IRRI)

Fisheries Sector and Women in Bangladesh

Mir Mohammad Ali, Sher-e-Bangla Agricultural University

Can nutrition sensitive agriculture (NSA) intervention reaching women affect women's empowerment? Impact assessment using Pro-WEAL tool on ethnic minority groups in Northern Vietnam

Lan Nguyen, Wageningen University and Research

2.3B · PROGRESS TOWARDS GENDER-INTENTIONAL BREEDING

CHAIR: Tessy Madu, National Root Crops Research Institute Umudike

DISCUSSANT: Everisto Mapedza, International Water Management Institute (IWMI)

Addressing gendered maize seed and trait preferences in Kenya

Mariana Garcia Medina, International Maize and Wheat Improvement Center (CIMMYT)

Using the G+ systematic customer and product profiling tools to validate gender equitable breeding decisions for traits inclusion in new cassava varieties targeted at men and women cassava actors in Nigeria

Nwanze-Olaosebikan Olamide, International Institute of Tropical Agriculture (IITA)

Gender mainstreaming in sweet potato breeding in Uganda: A case study

Reuben Tendo Ssali, International Potato Center (CIP)

How can gender research trigger changes to influence breeding priorities

Vivian Polar, International Potato Center (CIP)

2.3C · INTO THE VALUE CHAIN: GENDER ROLES, BIASES AND ASPIRATIONS

CHAIR: Ndaya Beltchika, International Fund for Agricultural Development (IFAD)

DISCUSSANT: Fanny Howland, Alliance of Bioversity International and the International Center for Tropical Agriculture (CIAT)

Participation in downstream nodes of the rice value chain in Uganda: Where are the women?

Gaudiose Mujawamariya, AfricaRice

Gender bias in customer perceptions: The case of agro-input dealers in Uganda

Anusha De Licos, KU Leuven and University of Göttingen

Cultural and economic barriers and opportunities for the participation of women in agricultural production systems: A case study in Guatemala

Maria Lucia Berrospi, International Food Policy Research Institute (IFPRI)

Gender dynamics of Musheerabad Fish Market, Telangana, India

Priyanka Mushkam, Indian Council of Agricultural Research (ICAR), Central Institute of Fisheries Education

2.3D · THE W+ STANDARD (CAPACITY STRENGTHENING)

ORGANIZER: Larissa Eugenia Dominguez Fuentes, Women Organizing for Change in Agriculture and Natural Resource Management (WOCAN)

2.3E · UNMASKING THE COLONIALITY OF SCIENCE: TOWARDS RESILIENT AND INCLUSIVE AGRI-FOOD SYSTEMS (PANEL)

ORGANIZER/CHAIR: Marlène Buchy, International Water Management Institute (IWMI)

PANELISTS: Rahma Adam, WorldFish

Indika Arunlingam, International Water Management Institute (IWMI)

Darshan Karki, International Water Management Institute (IWMI)

Purnima Menon, International Food Policy Research Institute (IFPRI)

Eileen Nchanji, Alliance of Bioversity International and the International Center for Tropical Agriculture (CIAT)

Karen Nortje, International Water Management Institute (IWMI)

DISCUSSANT: Charyi Osei-Amponsah, International Water Management Institute (IWMI)

Day 2 - Tuesday 10th of October 2023

FROM RESEARCH TO IMPACT

Towards just and resilient agri-food systems

9–12 October, 2023 | New Delhi, India

2.3F · YOUTH RESPONSIVENESS FOR CLIMATE RESILIENT AGRI-FOOD SYSTEM THROUGH ADAPTATION-MITIGATION AND DIGITALIZATION INTERVENTIONS FOR GREEN LIVELIHOODS (PANEL)

ORGANIZER:

*Ashish Khandelwal, Young Professionals for Agricultural
Development India (YPARD India) and Indian Council of
Agricultural Research (ICAR)*

CHAIR:

*Akriti Sharma, Zonal Technology Management & Business
Planning and Development (ZTM-BPD) and Young
Professionals for Agricultural Development India (YPARD India)*

SPEAKERS AND PANELISTS:

*Vikash Chaudhary, Small Scale Producer
Ashok Dalwai, Ministry of Agriculture and Farmers' Welfare, GoI
Rajkumar Halder, Ruhvenile Biomedical
Amrita Jagatdeo, ThinkRaw India
Jyotsana Kaur Habibullah, Lucknow Farmer Market
Ashish Khandelwal, YPARD India
Shruti Shandilya, Tirwa Farm
Zenebe Uraguchi, Hugo P. Cecchini Institute of International
Cooperation and Development, Bern University of Applied
Sciences (HAFL)*

Day 2 - Tuesday 10th of October 2023

FROM RESEARCH TO IMPACT

Towards just and resilient agri-food systems

9–12 October, 2023 New Delhi, India

9.00–10.30

PLENARY 3

“From research to impact: Towards agri-food systems transformation”

PANELISTS: Nishant Gupta, Strategic Liaison, Walmart Foundation in India

Neena Joshi, Interim Senior Vice President – Asia, Heifer International

Michele Mbo'o-Tchouawou, Deputy Director – Programs, African Women in Agricultural Research for Development (AWARD)

Lauren Phillips, Deputy Director - Inclusive Rural Transformation and Gender Equality, United Nations Food and Agriculture Organization (FAO)

G.V. Ramanjaneyulu, Executive Director, Center for Sustainable Agriculture

Meredith Soule, Division Chief, Inclusive Development – USAID

11.00–12.30

3.1A · EMPOWERING CHANGE:
BRIDGING GENDER AND CLIMATE RESILIENCE
THROUGH POLICY AND DATA

CHAIR: Bina Agarwal, University of Manchester

DISCUSSANT: Muzna Alvi, International Food Policy Research Institute (IFPRI)

Day 3 - Wednesday 11th of October 2023

Scoping review on gender-disaggregated data in climate smart agriculture

Emma Smith, CARE USA

Gender mainstreaming and intersectionality in policies related to climate and agri-food issues: A comparison and reflections of the Guatemalan, Honduran, and Colombian cases

Fanny Howland, Alliance of Bioversity International and the International Center for Tropical Agriculture (CIAT)

Gender differentiated adaptation strategies considering climate risk perceptions, impacts, and socio-technical conditions in Senegal's Dry Regions

Shalander Kumar, International Crops Research Institute for the Semi-Arid Tropics (ICRISAT)

Unpacking the gender-responsiveness of climate-smart agriculture in India

Niharika Tyagi, Council on Energy, Environment, and Water (CEEW)

3.1B · MEASURING AND IDENTIFYING NORMS:
APPROACHES AND CONSIDERATIONS

CHAIR: Sadika Haque, Bangladesh Agricultural University

DISCUSSANT: Maureen Miruka, CARE International in Ghana

Participatory measurement of norm transformation towards building inclusive agri food systems: evidence from Northern Ghana

Agnes Loriba, CARE International in Ghana

Piloting the multidimensional gender and social norms in agri-food systems index

Betsy Costenbader, FHI 360

Including past and ongoing dynamics in ex-ante project research

Margreet van der Burg, Wageningen University

Gender norms and women's empowerment: The case of pig related businesses in Uganda

Esther Leah Achandi, International Livestock Research Institute (ILRI)

3.1C · GENDERING THE DIGITAL REVOLUTION

CHAIR: Surendran Rajaratnam, The National University of Malaysia (UKM)

DISCUSSANT: Vanya Slavchevska, Food and Agriculture Organization of the United Nations (FAO)

A gender and socially inclusive farmer feedback system: Concept and design

Monica Fisher, International Maize and Wheat Improvement Center (CIMMYT)

Digital agriculture platforms for gender equitable and inclusive benefits in Uganda's agri-food sector value chains

Susan Ajambo, Alliance of Bioversity International and the International Center for Tropical Agriculture (CIAT)

Impacts of a digital credit-insurance bundle for landless farmers: Evidence from a cluster randomized trial in Odisha, India

Subhransu Pattnaik, International Food Policy Research Institute (IFPRI)

ICT-based agricultural extension services and women's empowerment: Evidence from Nigeria and Ethiopia

Isabel Lambrecht, International Food Policy Research Institute (IFPRI)

FROM RESEARCH TO IMPACT

Towards just and resilient agri-food systems

9–12 October, 2023 | New Delhi, India

Day 3 - Wednesday 11th of October 2023

3.1D · IMPROVING WOMEN'S STATUS AND ENHANCING NUTRITION OUTCOMES: INSIGHTS FROM PRACTICE

CHAIR: Mridula Devi, ICAR-Central Institute for Women in Agriculture

DISCUSSANT: Neha Kumar, International Food Policy Research Institute (IFPRI)

Empowering women and fostering child nutrition: Unlocking the potential of improved chicken breeds in Tanzania

Humphrey Jumba, International Livestock Research Institute (ILRI)

Modality of food transfer, uptake of services and low birth weight: Evidence from Integrated Child Development Services in India

Sumedha Minocha, Cornell University

Discovering gender-related uncommon practices for improved nutrition of mothers and children through the Positive Deviance approach in rural Madhya Pradesh

Nadine Bader, Deutsche Gesellschaft fuer Internationale Zusammenarbeit GmbH (GIZ) and Wageningen University and Research

Advancing women's nutrition leveraging women's groups and movements in South Asia: Potential opportunities

Monica Shrivastav, Population Council Consulting Pvt Ltd

3.1E · PROPOSED EQUITY PRINCIPLES FOR TRANSFORMATIVE INNOVATION, THROUGH A CRITICAL ANALYSIS OF AGRICULTURAL INNOVATION SYSTEMS FRAMEWORKS AND TOOLS (OPEN STREAM)

ORGANIZER: Erin McGuire, USAID Feed the Future Innovation Lab for Horticulture, UC Davis

SPEAKERS: Erin McGuire, USAID Feed the Future Innovation Lab for Horticulture, UC Davis

Maria Boa-Alvarado, Cornell University

Eva Marina Valencia Leñero, International Maize and Wheat Improvement Center (CIMMYT)

3.1F · CONCEPTUAL APPROACHES TO ADDRESS GENDER AND SOCIAL EQUITY IN AGRI-FOOD SYSTEM'S DEVELOPMENT

ORGANIZER: Cathy Rozel Farnworth, Alliance of Bioversity International and the International Center for Tropical Agriculture (CIAT)

A conceptual framework of living labs for people: Fostering innovations for low-emissions food systems and social equity

Anne Rietveld, Alliance of Bioversity International and the International Center for Tropical Agriculture (CIAT)

Integrating gender and social inclusion into behavior change frameworks in agri-food systems: The case of agroecological transformation

Rachel Voss, WorldFish

A systems-based framework for understanding women's resilience pathways in agri-food systems

Cathy Rozel Farnworth, Alliance of Bioversity International and the International Center for Tropical Agriculture (CIAT)

Addressing women's invisibility in aquatic food systems; impact pathways towards gender and social equity

Rahma Adam, WorldFish

1.30-3.00

3.2A · GENDER TRANSFORMATIVE APPROACHES: REFLECTIONS ON RESOURCES AND INNOVATIONS

CHAIR: Esther Leah Achandi, International Livestock Research Institute (ILRI)

DISCUSSANT: Kamrun Nahar, WorldFish

Challenging and transforming the social and gender norms through a Wholistic PAR approach

Joros Sawi and Brenaldi Kunjip, University of Canberra

Addressing gender discriminative barriers to transform livestock agri-food systems: Approaches that work in livestock vaccine delivery in Northern Ghana

Nelly Njiru, International Livestock Research Institute (ILRI)

Securing women's resource rights through gender transformative approaches

Elisabeth Garner, CIFOR-ICRAF

What is the added value of applying a gender-transformative approach within a livelihoods intervention, in terms of accelerating lasting transformations in gender equality, food security and economic well-being?

Pranati Mohanraj, CARE USA

FROM RESEARCH TO IMPACT

Towards just and resilient agri-food systems

9–12 October, 2023 | New Delhi, India

3.2B · UNDERSTANDING YOUNG PEOPLE'S INVOLVEMENT WITH AGRI-FOOD SYSTEMS AND RURAL GEOGRAPHIES

CHAIR: Yogita Rana, Ministry of Agriculture & Farmers Welfare, Government of India

DISCUSSANT: Esther Njuguna-Mungai, International Livestock Research Institute (ILRI)

Motivating factors influencing youth smallholder farmers to adopt sweet potato seed technology: A means-end chain approach

Sarah Mayanja, International Potato Center (CIP)

With, by and for young people: Strengths-based rural youth program development in Papua New Guinea

Barbara Pamphilon, University of Canberra

Youth aspirations and how they shape interactions with food systems livelihoods: A comparative assessment of Albania, Bangladesh, & Ethiopia

Zenebe Uraguchi, Bern University of Applied Sciences

Youth orientation in AR4D: Possible dimensions

Dorte Thorsen, Institute of Development Studies (IDS)

3.2C · GENDER IN MECHANIZATION AND POST-HARVEST PROCESSING

CHAIR: Neelam Patel, Government of India

DISCUSSANT: Abiyot Anbacha, International Rice Research Institute (IRRI)

Towards women's access to and adoption of mechanization: Analysis of farmer groups' services in Bangladesh

Maria Jones, United Nations Economic and Social Commission for Asia and the Pacific (UN ESCAP)

We don't know what we don't measure: Impacts of post-harvest fish processing technology on equity and equality

Nisha Marwaha, School of Global Development, University of East Anglia, Norwich, UK

A comparative analysis of men and women's use and (non) adoption of mechanization technology: Barriers and enablers from East and Southern Africa

Ojongetakah Enokenwa Baa, International Water Management Institute (IWMI)

Gender and demand stimulation for agricultural mechanization service use in Ethiopia

Moti Jaleta, International Maize and Wheat Improvement Center (CIMMYT)

3.2D · SUPPORTING WOMEN'S ENTREPRENEURSHIP, EMPLOYMENT, AND ECONOMIC EMPOWERMENT IN AGRI-FOOD SYSTEMS

CHAIR: Rahma Adam, WorldFish

DISCUSSANT: Kathleen Tavenner, Independent consultant

Opportunities for and constraints to women's empowerment in Tanzania's cashew value chain

Aika Aku, Sokoine University of Agriculture (SUA), Morogoro, Tanzania

Digital financial services for empowering women in agri-food value chains in Indonesia region

Rumanintya Lisaria Putri, National Research And Innovation Agency (BRIN), Republik Indonesia

Day 3 - Wednesday 11th of October 2023

Nurturing women-led agri-businesses: Unleashing the potential of women-women networks

Ranjitha Puskur, International Rice Research Institute (IRRI)

Helpers, employees, and owners: Opportunities for women's empowerment in agricultural value chains

Manuel Francisco Moreno Bustamante, Alliance of Bioversity International and the International Center for Tropical Agriculture (CIAT)

3.2E · USING THE PROJECT-LEVEL WOMEN'S EMPOWERMENT IN AGRICULTURE INDEX FOR MARKET INCLUSION (PRO-WEAI+MI) (CAPACITY STRENGTHENING)

ORGANIZER: Ara Go, International Food Policy Research Institute (IFPRI)

CONTRIBUTORS: Kalyani Raghunathan, International Food Policy Research Institute (IFPRI)

Soumyajit Ray, International Food Policy Research Institute (IFPRI)

Flor Paz, International Food Policy Research Institute (IFPRI)

3.2F · GENDER INTEGRATION ACROSS THE USAID FEED THE FUTURE INNOVATION LABS (PANEL)

ORGANIZER: Janelle Larson, Pennsylvania State University

SPEAKERS: Erin McGuire, Director of the Horticulture Innovation Lab at UC Davis

Elizabeth Bryan, Innovation Lab for Food Security Policy Research, Capacity, and Influence at Michigan State University

Rita Gurung, Food Safety Innovation Lab, Purdue University and Cornell University

Janelle Larson, Co-Chair, Innovation Lab Gender Affinity Group, Penn State; Horticulture Innovation Lab, UC Davis

FROM RESEARCH TO IMPACT

Towards just and resilient agri-food systems

9–12 October, 2023 New Delhi, India

3.30-5.00

3.3A · FROM HOTSPOTS TO HOPE: UNEARTHING GENDER NARRATIVES IN CLIMATE-TOUCHED TERRAINS

ORGANIZER: Els Lecoutere, CGIAR GENDER Impact Platform

The effects of interventions challenging gender norms and addressing access to resources on women's empowerment and intrahousehold gender equality of climate resilient capacities in hotspot areas in Bangladesh

Els Lecoutere, CGIAR GENDER Impact Platform

Situational analysis of climate change-agriculture-gender inequality hotspots in Bangladesh

Sadika Akhter, International Centre for Diarrhoeal Disease Research, Bangladesh (ICDDR, B)

Uncovering the intersections of women's empowerment, gender equality in climate resilience capacities and agri-food system outcomes in climate hotspots for women in Zambia

Esther Kihoro, International Livestock Research Institute (ILRI)

Climate hotspots gender impact assessment

Keagan Kakwasha and Netsayi Mudege, WorldFish

3.3B · BUILDING WOMEN'S AGENCY: LEADERSHIP, KNOWLEDGE SHARING AND LEARNING

CHAIR: Devis F. Mwakanyamale, International Institute of Tropical Agriculture (IITA)

DISCUSSANT: Elisabeth Garner, CIFOR-ICRAF

Changing the game: The role of women in experiential learning

Thomas Falk, International Food Policy Research Institute (IFPRI)

Female community-based agents: Archetypes and experience with farmers

Jasleen Kaur, 60 Decibels

The contribution of voluntary sustainability systems to enabling rural women's leadership

Miranda Morgan, Alliance of Bioversity International and the International Center for Tropical Agriculture (CIAT)

Integration of gender equity and social inclusion (GESI) in the Agroforestry Project on Trees Outside the Forest in India (TOFI)

Babita Bohra, CIFOR-ICRAF

3.3C · ASSESSING THE LINKS BETWEEN GENDER NORMS, WOMEN'S EMPOWERMENT AND OTHER DEVELOPMENT OUTCOMES

CHAIR: Betsy Costenbader, FHI 360

DISCUSSANT: Agnes Loriba, CARE International in Ghana

Revisiting the dimensions and determinants of women's empowerment, and links to household food security in rural farming communities of Bangladesh

Sadika Haque, Bangladesh Agricultural University

Women's empowerment, incomes and resilience in agri-food systems

Lauren Phillips, Food and Agriculture Organization of the United Nations (FAO)

Women's empowerment, agriculture productivity and household resilience

Shweta Gupta, International Food Policy Research Institute (IFPRI)

Exploring the impact of women's empowerment on health and nutritional status of children and women in India

Padigapati Venkata Naga Sindhuja, Indian Council of Agricultural Research (ICAR)

3.3D · INSIGHTS INTO PATHWAYS BETWEEN WOMEN'S STATUS, GENDER DYNAMICS AND NUTRITION

CHAIR: Gaudiose Mujawamariya, AfricaRice

DISCUSSANT: Pamela Giselle Katic, University of Greenwich

The empowerment puzzle: Unmasking the role of women's empowerment in addressing undernutrition in India

Anjali Sharma, International Institute for Population Sciences (IIPS) Mumbai

Invisible struggles: Unravelling intra-household gender disparities in nutrition among Indian children using national family and health survey

Saif Nihal, International Institute for Population Sciences (IIPS) Mumbai

Empowering women for enhanced child health: Exploring the relationship between women's empowerment dimensions and dietary diversity in eastern Uganda

Shimali Fred, Makerere University

Day 3 - Wednesday 11th of October 2023

FROM RESEARCH TO IMPACT

Towards just and resilient agri-food systems

9–12 October, 2023 New Delhi, India

Day 3 - Wednesday 11th of October 2023

3.3E · TOWARDS GENDER TRANSFORMATIVE FOOD SYSTEMS: DO WE NEED TO FOCUS ON INDIGENOUS COMMUNITIES MORE? (PANEL)

**Natural farming promotion in low-input, remote districts:
A feminist political ecological analysis**

Carly E. Nichols, University of Iowa

Gendered access to assets and resources in small-scale fisheries and aquaculture in East Africa: Insights from feminist political ecology framework

Kevin Okuko, WorldFish

ORGANIZER: Nazmun N. Ratna, Lincoln University

CHAIR: Chubamenla Jamir, Government of Nagaland, India

*SPEAKERS: Nazmun N. Ratna, Lincoln University, New Zealand
Grady Walker, University of Reading*

PANELISTS: Pratyaya Jagannath, National Rural Livelihood Mission

Sudeshna Maya Sen, World Food Programme

Sucharita Sen, JNU

3.3F · A FEMINIST POLITICAL ECONOMY-ECOLOGY OF NATURAL RESOURCE MANAGEMENT

CHAIR: Deepa Joshi, International Water Management Institute (IWMI)

DISCUSSANT: Diana E. Lopez, KIT - Royal Tropical Institute

Politics of participation in integrated watershed development programmes in Bundelkhand, India: Insights from a gender and social inclusion perspective

Ananya Chakraborty, World Resources Institute

**'Exclusion' in community water governance in Bangladesh:
An overlooked social issue**

Indu K Sharma, International Water Management Institute (IWMI)

FROM RESEARCH TO IMPACT

Towards just and resilient agri-food systems

9–12 October, 2023 | New Delhi, India

9.00–10.30

4.1A · ADAPTING TO CHANGE: RESILIENCE AND ADAPTATION IN AGRI-FOOD SYSTEMS

CHAIR: Tanaya DuttaGupta, International Livestock Research Institute (ILRI)

DISCUSSANT: Padmaja Ravula, International Crops Research Institute for the Semi-Arid Tropics (ICRISAT)

Framework for climate resilience in food systems with a gendered lens

Nikita Tank, Indian Institute of Management, Ahmedabad

Examining climate resilience strategies and adaptation measures through a gendered lens in India

Drishti Vishwanath, Indian Institute of Management, Ahmedabad

Are empowered women more resilient to agricultural shocks? Evidence from women smallholder farmers in Uganda

Losira Nasirumbi Sanya, Makerere University

Enhancing gender equality and women's resilience through climate mitigation in agri-food systems

Katie Tavenner, International Rice Research Institute (IRRI)

4.1B · WOMEN'S TIME USE AND GENDER GAPS IN AGRICULTURAL WORK AND RURAL DEVELOPMENT

CHAIR: Humphrey Jumba, International Livestock Research Institute (ILRI)

DISCUSSANT: Vartika Singh, International Food Policy Research Institute (IFPRI)/Indian Institute of Management Ahmedabad (IIMA)

Women in agriculture work for longer hours than those not into agriculture

Anil Kumar, ICAR-Central Institute for Women in Agriculture (ICAR-CIWA), Bhubaneswar

Closing gender gaps in developing countries: Impacts on poverty, diets and food security

James Thurlow and Stephanie Levy International Food Policy Research Institute (IFPRI)

Why are women more food insecure than men? Exploring socio-economic drivers and the role of COVID-19 in widening the global gender gap

Erdgin Mane, Food and Agriculture Organization of the United Nations (FAO)

Who does what: A novel tool to rapidly assess intra-household participation in agriculture and food-related tasks

Neha Kumar, International Food Policy Research Institute (IFPRI)

4.1C · MEASURING WOMEN'S EMPOWERMENT AND GENDER EQUALITY IN NATIONAL STATISTICAL SYSTEMS AND NATIONAL AGRI-FOOD POLICY PROCESSES

ORGANIZER: Catherine Ragasa, International Food Policy Research Institute (IFPRI)

Women's Empowerment in Agri-food Systems Governance (WEAGov): A new assessment framework

Jordan Kyle, International Food Policy Research Institute (IFPRI)

Assessing gender-responsive and nutrition-sensitive adaptation and mitigation actions using a national scorecard

Marilia Magalhaes, International Food Policy Research Institute (IFPRI)

Measuring collective agency in agri-food systems

Ruth Meinzen-Dick, International Food Policy Research Institute (IFPRI)

Gender integration in agricultural policies: Uncovering strengths, gaps, and implications for gender equality and rural women's empowerment

Mariola Acosta and Libor Stloukal, Food and Agriculture Organization of the United Nations (FAO)

4.1D · MAKING CLIMATE SMART AGRICULTURE WORK FOR WOMEN: TAKING STOCK OF EVIDENCE AND IMPLICATIONS FOR POLICY AND PRACTICE (PANEL)

ORGANIZER: Ranjitha Puskur, International Rice Research Institute (IRRI)

PRESENTERS: Aayushi Malhotra and Ranjitha Puskur, International Rice Research Institute (IRRI)

PANELISTS: Elizabeth Bryan, International Food Policy Research Institute (IFPRI)

Arabinda Padhee, Department of Ag and Farmers Empowerment, Odisha

Vinny Madhuri, Bayer

Maureen Miruka, CARE International

Alka Singh, Indian Agricultural Research Institute

Vicki Wilde, Bill and Melinda Gates Foundation

FROM RESEARCH TO IMPACT

Towards just and resilient agri-food systems

9–12 October, 2023 New Delhi, India

4.1E · INNOVATION WITH/FOR WOMEN

CHAIR: Nozomi Kawarazuka, International Potato Center (CIP)

DISCUSSANT: Rachel Voss, WorldFish

Are weeds really an issue in Zero Tillage systems? Farmer insights from the Eastern Gangetic Plains of South Asia

Anjana Chaudhary, International Maize and Wheat Improvement Center (CIMMYT)

Identifying and selecting socio-technical innovations for women's empowerment and resilience: A framework for conducting situation analysis

Hom Gartaula, International Rice Research Institute (IRRI)

Gender analysis of climate stressed rice-based systems in Mali

Fatoumata Diabate, Africa Rice Center (AfricaRice)

Can partnerships improve the Indonesian oil palm smallholders' inclusivity?

Diana Chalil, Universitas Sumatera Utara
